

# FREE CASTRATION CLINIC

Do you know a colt who would like to become a gelding?  
This message is for you!

**NCSU College of Veterinary Medicine** is looking for equine volunteers to participate in our free castration clinics!

Multiple dates throughout the year (March/April & September/October)

Castrations will be **FREE OF CHARGE** to the owner!

The procedure will be performed by our veterinary students under direct supervision of an equine surgeon. Once your horse is fully recovered from the sedation, they will be ready to travel home the same day!

## **REQUIREMENTS:**

- ✓ Be halter broken
- ✓ Current Coggins
- ✓ Current Tetanus Vaccine
- ✓ Both testicles descended
